

RIGGER GLOVES

P3802

P3801

P3805

RIGGER GLOVE RANGE

Premium general purpose work gloves provide reliable protection against cuts, abrasion and sharp objects, where welding gloves are not required.

The Rigger-style gloves (P3801, P3802 and P3805) offer all-day all-day comfort that ensures prolonged wearability and reduces hand fatigue during extended use. For more demanding environments the P3801 and P3805.

The P3805 Premium Rigger glove is made from AB grade Cow split leather, carefully selected, providing an excellent balance of hand protection, comfort, dexterity and durability. The back of the hand features a leather knuckle-protector with a layer of cotton layer with a retro-reflective material for visibility.

- Rigger-style options available gathered Cuffs help keep Gloves securely in position
- Bound Cuff edges for better durability
- Rubberised Safety Cuffs
- Reinforced thumb and Palm on select models
- Leather Knuckle Protection

Not Suitable for welding applications
