and EN ISO 21952**

produced for

Parweld Limited
Bewdley Business Park, Long Bank,
Bewdley, Worcestershire, DY12 2TZ, England

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the designated standard

EN 13479:2017

under system 2+ are applied and

the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 2024-07-02 and will remain valid as long as the test methods and/or factory production control requirements included in the designated standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly and latest on 2027-02-16.

Further information about the product parameters and description of the products are included in the annex 1 to this certificate.

In order to adhere the validity an annual surveillance audit is required.
